# CANAL WORKERS FED

Judge L. C. Collins Explains Progress on Ditch.

NEW SYSTEM WORKING WELL

Health Conditions Good, Declares Member of Supreme Court of Panama Zone-Drawback Is Monotony of Temperature-Advises Vacations for Saxons to Breathe in Cold.

"You can't make soldiers fight on an mpty stomach, nor can you expect any work out of people that don't get proper nourishment," said Judge Louis C. Collins, of the Supreme Court of the Panama Canal Zone, at the Shoreham last night, referring to the fact that since the United States government was digging the ditch the laborers employed on the canal were boarded by the government, and were doing excellent work. "Seventy-five per cent of the laborers aployed on the canal are Jamaicans,

paniards, Itakans, and natives of the esser Antilles. New and Old Way.

with the work, the Jamaicans, for intance, used to feed themselves on bread, fruit and sugar cane, and similar food, lacking health and strength-giving power. "The government is now boarding them for 30 cents a day, and gives them better board than most of the laboring class n the States can boast of.

"The result is they can accomplish FUNERAL AT CHRIST CHURCH twice as much work. You can judge or yourself of the progress that is made ng these lines when I tell you that bout 2,000,000 cubic feet of dirt is re-loved every month now. No other sys-

em could do any better, The condition of health along the and is better than ever before. I have sen down there since July, 1905. It is ardly an exaggeration when I say that mosquitoes are the exception. There is practically no smallpox.

Mularia and Quinine,

'Malaria, however, is somewhat comnon. Quinine is administered for it in sixty grains a day. It knocks it, and t's all right.

There is one great drawback, however, hat is the sameness of temperature all he year round. The thermometer regisrs seldom over 90 and rarely below 76 or

ference, laziness, and lack of resourceful-

ness and energy. "It is absolutely necessary for men with Anglo-Saxon blood in their veins to once n a while take a little vacation and get a sniff of real cold air and brace up again, With the working people. As I said, the climate plays mischief with one's constitution, and the last time I saw Goethals he was all nerves. He is the right man for the place and works day and night; he deserves a great deal of credit for the tremendous work he is accomplishing in the deserves a great deal of credit for the tremendous work he is accomplishing in the much-needed communication with the Union Station, and Station, and Derrick, Charles A. Shafer, John R. McLean, and D. S. Carll.

The active pallbearers, Intimate friends of the Dunlop family, will be Joseph H. Bradley, Andrew Y. Bradley, Armistead any noise about it."

As the city is now witnessing in the matter of securing the much-needed communication with the Union Station, and such at which has existed in the administration of the public schools, would be largely obviated.

None of those who express a favorable attitude toward the proposition to endow life in order to sustain his wife and children to sustain hi

NEW TRIAL FOR DR. LEON.

Error in Forcing Physician to Incriminate Himself,

The Court of Appeals yesterday, in an pinion read by Chief Justice Shepard. granted Dr. Edward Leon Thompson, etter known as "Dr. Leon," a new trial. Leon was sentenced by Justice Barnard ner, and R. Ross Perry. n June last to serve two years in the penitentiary, following a conviction by a ury of performing a criminal operation Vokes in October, 1905.

The new trial is granted on the ground hat Justice Barnard erred in allowing the United States district attorney to require Dr. Leon, when on the stand in ils own behalf, to testify that he had of Davis W. Bailey, deceased. previously been convicted by a jury of nurder in connection with a similar op-

Assistant District Attorney Stuart Me amara, who conducted the government ase at "Dr. Leon's" trial yesterday,

gain within a month. It was stated at the courthouse yesrday that it was within the range of ossibility that the facts in connection with the Bywaters case may yet be presented to the grand jury.

HOLY CITY FRAUD REVEALED

Post-office Puts Ban Upon Mr. and Mrs. Jenschamer.

Sent Album of Flowers from Jerusalem with Pitiful Tale of Widows' and Orphans' Plight.

Far distant in Jerusalem, in the midst of the Holy Land, the discovery has been made that the crop of "suckers" in the United States grows larger with each succeeding year.

Postmaster General Meyer yesterday issued a fraud order against Mr. and Mrs. Ch. H. Jenschamer, of Jerusalem, on the ground that they have been using the mails in this country to conduct a scheme "for obtaining money by means of false and fraudulent pretenses and representations.

The evidence in the case shows that the persons named have been conducting a scheme at long range that proved profitable. It was simple, but its simplicity made it a success for a long time. Mr. and Mrs. Ch. H. Jenschamer were in possession of the names of a large
